AREAS I'VE WORKED ON

- Graphic Design
- Rapid Prototyping
- Computer Vision
- AR/VR
- Game Development
- CAED Modelling

EXPERIENCE & ACHIEVEMENTS

2018 Innovation and Design Intern @ DTLABZ
Worked on Design, Improvement, and Prototyping of their several products and services.

Won The Special Mention Award @ Kshitij-IITKGP
which was given for the fourth time in IITKGP's history for recognition of our bots.

2017 1st Place, TechVision, 720 Participants
Developed an AR app for CAED VTU

Won The Special Mention Award @ Kshitij-IITKGP
which was given for the third time in IITKGP's history for recognition of our bots.

POSITIONS OF RESPONSIBILITIES

Club Captain	Mozilla
Vice Chairman	Sahyadri Open Source Community
Head of Design	DreamDesignExperience
Dean	School of AI Mangaluru

LANGUAGES I'VE WORKED ON

- Python
- C
- Java
- HTML/CSS

SOFTWARE I'VE WORKED ON

- Onshape
- Microsoft Office
- Canva
- Photoshop
- Vectr
- SOLIDWORKS

OTHER EXPERIENCES/ACHIEVEMENTS

2018 **Tech Speaker @ SMVITM**

Conducted a 2-day workshop at SMVITM for 3rd and 4th year engineering students on Python

Won 2nd Place @ GameJam 2018

which was given for building the worlds first colour based game for colour blind people.

2017 **Won 1st Place @ Automata 2018 - NITK Surathkal**

Computer Vision based Autonomous Bot

Won 2nd Place @ NIT Rourkela

Computer Vision based Autonomous Bot
